

CLASS OF 2022 GRADUATES AT MT. SALUS CHRISTIAN SCHOOL

Mt. Salus Christian School held its commencement ceremony for the 2021-2022 school year on Friday evening, May 13. Graduates, family, friends, students and staff heard Rev. Bryce Davis give an encouraging and challenging message as the commencement keynote speaker. Those in attendance also enjoyed addresses from Mt. Salus Class of 2022 Sa-

lutorian John Michael Turner, as well as Valedictorian Wright Whitney. All seven graduates will be attending college in the fall and have received over \$40,000 in scholarships to date. One of the graduates, Walker Oswald, has attended Mt. Salus his entire educational career, beginning his time as an Eagle in kindergarten.

MOSQUITO[®] AUTHORITY

DRAIN

Remove Standing water from around your home. It only takes a bottle cap's worth of standing water to cause a mosquito problem

Common Culprits that should be monitored regularly for standing water include

- clogged rain gutters
- corrugated drain pipes
- bird baths
- pet bowls
- trash & recycling bins
- plant pots
- children's toys

DRESS

When practical, wear long pants and long sleeves. Loose-fitting, light-colored clothing is best

Studies have shown that some mosquitos are more attracted to dark clothing and can most readily bite through tight-fitting, loose-weave clothing.

DEFEND

Use repellent! The EPA has registered repellents that have been reviewed and approved to pose minimal risk when used properly:

- DEET (N, N-diethyl-m-toluamide)
- Picaridin (KBR 3023)
- Oil of lemon eucalyptus (p-methan 3.8-diol, or PMD)

When performed properly by trained professionals, back yard mosquito treatments can help to reduce the danger and risk posed by disease-carrying mosquitos

**Mosquito Authority's
REPEL+PLUS Mosquito Treatment**
will break the mosquito lifecycle and all but eliminate mosquitos from your yard and your life - all summer long
